

# The Motor Law complete Guide to the 2010 Block Exemption

by Peter Groves

Completely revised and expanded

This new edition of the popular publication from Motor Law will give you all the information you need to understand the 2010 Block Exemption.

The new regime came into effect on 1 June 2010 for the aftermarket and will apply to new vehicle distribution from 1 June 2013.

Contents include:

- The legal background to the legislation
- The history of the motor industry block exemption
- Analysis of the new regime
- Over 70 frequently-asked questions, answered in lay language
- The full text of the relevant legislation, annotated by the author

---
